Following poem is written by Mahatma Gandhi on "God" in Young India in Oct.11th 1928.

"The Meaning of God"

There is an indefinable mysterious Power that pervades everything.

I feel it, though I do not see it.

It is this unseen Power which makes itself felt and yet defies all proof, because It is so unlike that I perceive through my senses. It transcends the senses...

That informing Power or Spirit is God....

*For I can see that in the midst of death life persists,
In the midst of untruth, truth persists,
In the midst of darkness light persists.*

Hence I gather that God is Life, Truth, Light.

He is love. He is supreme good.

But he is no God who merely satisfies the intellect if He ever does.

God to be God must rule the heart and transform it.
